Highlights

15-minute recording time
15-minute recording time

XHD sound
Enjoy high-quality conversation, with a level of clarity rarely heard before. Thanks to a high-quality speaker, sophisticated technology and a real acoustic chamber, the audio spectrum reaches far beyond what's normally heard on a telephone.

Enhanced speakerphone
Combine a high-quality speaker, sophisticated signal processing, a real acoustic chamber and full duplex hands-free and you'll get the most natural reproduction of a conversation. Both sides can speak and be heard at the same time, as in a face-to-face conversation.

Unique "soft touch" feel
